

CAMPING
MADONNINA

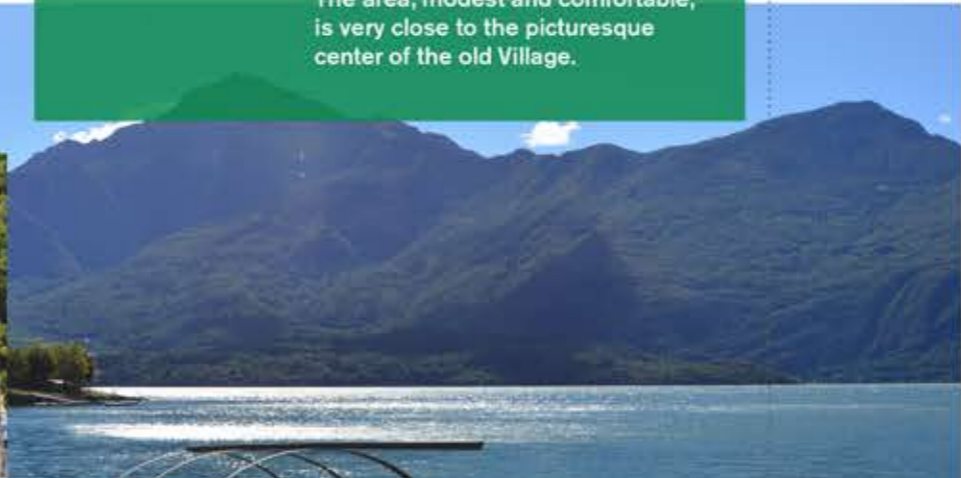

**YOUR HOLIDAY
SURROUNDED BY NATURE**

THE CAMPING IS OPEN FROM APRIL TO OCTOBER

It has a secluded and peaceful sandy beach with spectacular views of the surrounding mountains. The area, modest and comfortable, is very close to the picturesque center of the old Village.

It is perfect for a relaxing holiday and ideal to anyone who loves sports. The children's playground is just outside the camp at the park of a seventeenth century villa.

La Madonna camping ground is located directly by Lake of Como in one of the most enchanting parts of Domaso.

The campsite is offering a nice and cozy open space bungalow situated 100 mt. from the beach. It has four beds, kitchenette, bathroom, balcony and parking.
